

### LEGO robotics with Scouts

Compete in the *FIRST* LEGO League Challenge, a worldwide STEM tournament.

Build a LEGO robot to complete missions on a playing field.

Learn programming and teamwork skills.

No experience is necessary!

### Participants:

Open to Cubs, Scouts & Venturers, ages 9 to 16

Older Venturers and Rovers are welcome as coaches.

Scout teams have made it to the Australian National Championships and even overseas!

### Meetings:

**Where:** Project Bucephalus Workshop, Wollongong TAFE Campus (90 Foleys Lane)

**When:** Every Sunday 1-4pm from 28<sup>th</sup> July

**Cost:** \$75 for the season.

**Register:**

<https://events.nsw.scouts.com.au/event/1766>

Competition day is Saturday 16<sup>th</sup> November (all day).

### Information Day:

1:00 pm – 4:00 pm, 28th July @ the Project Bucephalus Workshop (90 Foleys Lane, North Wollongong)

For more details, contact Andrew Clark
