Introduction

Welcome to your Program Pathway for the pursuit of Safe Participant Archery

This document allows you to be clear on what you are required to do to complete the Program Pathway.

The Program Portfolio is has been separated into 3 parts

Part 1 – Pre-Program are tasks that you have to complete before you attend the face to face sessions in part 2.

Part 2 – On Program evidence are items you will gain through the direct training with the trainer .

Part 3 – Post Program Evidence items include Log books, photographs of tasks completed and copies of any relevant certificates.

As you complete the items please capture or attach them to this document. Once you have completed all of the evidence items required, please return this completed document to the **AA Training Section** of your Branch. A review of your evidence will be undertaken, and once you have been deemed competent you will be recognised as a Safe Participant.

Outcomes

The participant can demonstrate an understanding of how to participate in an Archery activity and can recognise possible hazards that may occur and where possible prevent injury to themselves or other participants. This Program does not link to Units of Competency
