

## NSW Scouts Adventurous Activities

### Scoutskills Prior Achievement Recognition & Guide Observation Capture Sheet

#### Basic Water Rescues

Many Venturers, Rovers and Leaders have obtained the skills necessary to gain recognition through achievement on either the Youth Program or previous iterations of the Scoutskills framework. This capture sheet provides an avenue to request recognition of those achievements.

Other Leaders may have entered Scouts with significant outdoor experiences. Again, this capture sheet provides an avenue for such a Leader to have their experience recognised through a conversation with, or observation from, an appointed NSW State Adventurous Activity Guide.
