Helper Information Pack

Join us for 'Bluey's Big Adventure', 2024 Joey Fun Day.

All the Joey Scouts in the region are invited to attend our 4th Joey Scout Environment Fun Day at Don's farm, Avondale. We have 4 environmental activity bases for the Joeys to try to increase their awareness and appreciation for the natural environment.

When does it start and finish and what do we bring?

Activity base briefing starts at 8:30 am, everything should be packed up for a 5 pm finish for helpers. Everyone will need to wear their uniform but also bring a day pack with morning tea, afternoon tea and lunch, a water bottle, hat, jumper, and raincoat.

How much will it cost?

We are asking a small cost of \$5 per helper, this is to cover the venue hire. Depending on participant numbers and our budget you may be refunded this cost. Tea/Coffee/Cold drinks are included in the cost.

What will I be doing?

Having fun of course! Helpers will assist in running activities, including set up and pack down, as well as assisting in getting cars and people into the site (Yes you can wear a fluoro vest).

Registration and Payment

Registration is via Scout Event (<https://events.nsw.scouts.com.au/>). You must complete an e-permission form as well as the initial registration.
