### Equipment & Facilities

All Rovers are to be completely self-sufficient for the weekend. Items such as a compass, pocket-knife, water bottle, whistle, or binoculars may also come in handy. Those intending to ride bikes must bring appropriate safety gear.

**Kings’ Farm** facilities will be used by the catering team, so those wishing to self-cater will be required to be fully self-sufficient in catering equipment as well.

## Game Roles and Rules:

Rovers have the option of stalking (or being stalked by) patrols of Scouts through the game area - either on foot, or bike - or simply sitting and running a base. Please nominate your preference on the registration system. All specific game information will be supplied on the day, but general information will be made available on request.

As Rovers are operating in a supervisory role with minors present, a few rules need to be clarified:

- WWG is to be a dry event. There is to be no alcohol present.
- No Rover is allowed to operate a motor vehicle within the game area without direct permission from the WWG Executive Team.
- Rovers are not allowed to leave the game site, without **signing out at HQ. Rovers are expected to be available to assist for the duration of the game.**
- No Rover is to transport Scouts or Venturers in a motor vehicle without direct organiser permission.

## Questions and Enquiries

Should you have any questions or enquiries, please ask your Crew Leader or another Rover in the first instance. If your Crew Leader or another Rover is unable to assist, they can email our committee who will respond to the enquiry.

The WWG Policy Document is available online ([www.widegame.com.au/policy.pdf](http://www.widegame.com.au/policy.pdf)) and should be read and adhered to by all attendees.
