The SC&T Weekend Wide Game Committee invites you to participate in **WWG North XXI – “Director’s Cut”** on the **22nd – 24th November 2024**, running at **Glenfield Scout Activity Centre**. This information package describes the event, outline the registration process and required equipment.

Weekend Wide Game is a competitive event involving Scouts, Venturers, Rovers and Leaders. Venturers have a distinct role at WWG, often playing as a character/role designed to create “interference”. Venturers also have the option to take on a less active role, assisting at bases.

- A completed E-Permission Form (digital E1) from each attendee.
- Collect the \$35 Activity Fee from each participating Venturer.
- Payment made to Region Office by **Friday 15 November 2024**.

Late registration will be considered, but will attract a \$5 per person Late Fee

Participants need to be **present and registered** at the Admin Shelter **BEFORE 8:30 AM on Saturday 22nd November**. The event will conclude at the same location, no later than **2:30PM on Sunday 24th November**.

Equipment

All Venturers are to be completely self-sufficient for the weekend. Items such as a compass, pocket-knife, water bottle, whistle, or binoculars may also come in handy. Those intending to ride bikes must bring appropriate safety gear.

Prohibited Items include: Aerosol Cans, anything that is too expensive to be lost or broken and Slingshots or any projectile “toys”.

Game Roles and Rules:

WWG will offer Venturers a choice between the usual "Scout Stalking" role or base staff. All Venturers are expected to abide by the following rules:

- WWG is a dry event. There is to be **no alcohol** present. If you can't abide by this rule, don't show up. Any Venturer found in possession of alcohol will be dealt with at Region and State level.
- WWG requires Venturers to keep the game ticking over and to making life interesting for those playing. However, proper mercy must be shown. The Scoring Team will monitor the Scout/Venturer interaction and moderate the results to align with the game's rules (including penalties for Scouts who fail to show Venturers proper respect, not just Venturer offences).
- All gear carried or used by the Scouts is **strictly** off-limits. Don't touch any hike packs, or enter any established campsites.
- The Scouts may attempt to bribe you. This is perfectly acceptable (and encouraged) - but you **must NOT ask** for bribes of anything other than game tokens. Everything else must be freely offered.
- If you need a break, return to the allocated rest zone and rest there. Do not interfere with the running of the game.
- No Venturer may operate a motor vehicle within the game area, or leave the game site, without direct permission from the WWG Executive Team.

Camping & Supervision

All Venturers participate in WWG North as separate entities under their own nominated leader.

*"All youth members (Scouts & Venturers) are required to nominate a responsible leader who is present for the entire weekend and able to supervise members as required. The leader is not required to be from the same Group, but **cannot** also be responsible for another section at WWG (i.e. Venturer Units cannot nominate a Scout Leader supervising Scouts)."*

Each registration will require completion of field electing Leader responsible who must be in attendance and camping in proximity to youth as assigned by WWG Executive.

Questions and Enquiries

Should you have any questions or enquiries, please ask your Venturer Leader or Unit Chair in the first instance. If your Venturer Leader or Unit Chair is unable to assist, they can email our committee who will respond to the enquiry.

The WWG Policy Document is available online (www.widegame.com.au/policy.pdf) and should be read and adhered to by all attendees.
